 3. Our window-lined dining room has one seating for everyone.
 4. Fresh produce, meats and fish are used to prepare healthful and nutritious meals, always made to order.
 5. We avoid commercial docks and tie up at tiny marinas within yards of some of America's most beautiful and historic sites.
 6. Our cabins are comfortable and attractive.
 7. Experienced guest speakers and historians are on hand to enhance your enjoyment of the places visited.
 8. Cruising the Intracoastal Waterway can only be achieved by a shallow-draft vessel like our *Nantucket Clipper*.
 9. On a small ship like the *Nantucket Clipper*, one may experience the beauty of the Chesapeake Bay up close.
 10. Classic architecture in the antebellum South.

CLIPPER ETHIC FOR ENVIRONMENTALLY RESPONSIBLE TRAVEL

Clipper Cruise Line is committed to minimizing the potential conflict between tourism development and the natural environment by adhering to guidelines established by the world's leading environmental organizations. We comply with waste-management regulations enforced by the U.S. Coast Guard aimed at reducing environmental and aesthetic impact.

YOUR CLIPPER VOYAGE INCLUDES:

- Fourteen nights aboard the *Nantucket Clipper* in fully air-conditioned, outside staterooms with lower beds, individual temperature controls, and private bathroom facilities.
- All meals, starting with dinner on Saturday, April 15, and ending with breakfast on Saturday, April 29, prepared to order by chefs trained at some of the most prestigious culinary institutes in America and served at single leisurely seatings.
- Special BYU excursions in Savannah, Charleston, Richmond, Baltimore, and Washington, DC.
- BYU will be joining Clipper's shore excursions in Wilmington and New Bern.
- BYU Faculty Director to enhance your enjoyment of the places visited.
- Services of Clipper's hospitality staff, including cruise director and hotel manager.
- Friendly and efficient American crew to assist and serve you.
- Captain's welcome aboard and farewell parties and dinners.
- BYU flight bag, wind breaker, belt pack, and headset receiver.
- BYU educational materials provided.
- Full pre-trip information provided
- Automatic \$250,000 Travel Insurance Policy for each Clipper-ticketed passenger, subject to policy terms and limitations.

THE CLIPPER EXPERIENCE

THE BEAUTY OF SMALL-SHIP ADVENTURE TRAVEL

For a closer and livelier look at Clipper's voyages, you may order our video documentary, "*The Clipper Experience: The Beauty of Small-Ship Adventure Travel*." This 21-minute video is available on loan *at no charge* for a two-week period. We request that you return the video to us after you have had an opportunity to view it. Simply call us, toll free, at 800-227-4099.

ABOUT THE NANTUCKET CLIPPER

The *Nantucket Clipper* was built in 1984 in Jeffersonville, Indiana, by American craftsmen. She measures 207 feet long, 37 feet wide, and has a draft of 8 feet. Power is provided by two Detroit diesel propulsion engines rated approximately 500 SHP each, and maneuverability is increased by a 200 HP bowthruster.

The *Nantucket Clipper* is equipped with an Electronic Chart Precise Integrated Navigation System (ECPINS). This system combines navigational data on one screen and meets the stringent requirements of the International Maritime Organization (IMO). The *Nantucket Clipper* is one of the first cruise ships to be equipped with this advanced system.

The *Nantucket Clipper* is classified +A1 Passenger Vessel +AMS by the American Bureau of Shipping. She is certified for coastwise and international service by the United States Coast Guard. She carries a Passenger Ship Safety Certificate issued under the provisions of the International Convention for the Safety of Life at Sea (SOLAS). The vessel carries a Certificate of Sanitary Construction issued by the FDA.
